MARCH 2026

WWW.NHBCMINEOLA.COM

Fear of falling is wholesome. To be venturesome is no sign of wisdom. Times come to us when we feel that we must go down unless we have a very special support. Here we have it. God's right hand is a grand thing to lean upon. Mind, it is not only His hand, though it keepeth heaven and earth in their places, but His right hand: His power united with skill, His power where it is most dexterous. Nay, this is not all; it is written, "I will uphold thee with the right hand of my righteousness." That hand which He uses to maintain His holiness and to execute His royal sentences, this shall be stretched out to hold up His trusting ones. Fearful is our danger, but joyful is our security. The man whom God upholds, devils cannot throw down.
